PETITIONING THE COURT

The probation officer requests that a summons be issued and hearing held to modify the conditions of supervision as follows:

You must perform 40 hours of unpaid community service at a non-profit agency as directed and monitored by the U.S. Probation Officer.

NONCOMPLIANCE SUMMARY

The offender has not complied with the following conditions of supervision:

<u>Violation</u>	<u>Nature of Noncompliance</u>
1. Failure to Follow Directives of the Residential Reentry Center	On April 22, 2021, pay stubs from the pay period April 7, 2021, to April 13, 2021, were reviewed in comparison to the person under supervision's in and outs summary. The hours did not match. The person under supervision (PUS) was out of place of assignment for 12 hours and 11 minutes.
2. Failure to Follow Directives of the Residential Reentry Center	On April 25, 2021, the PUS checked out for the purpose of work. An offsite employment check was subsequently conducted. When the employer was called, they indicated the PUS was not working. When the PUS was called, the PUS stated he was at work. When told his employer was called the PUS disconnected the call. The PUS was called back and told he had to return to the facility. The PUS was out of place of assignment for 3 hours and 44 minutes. The offender admitted to the Probation Office that he was at a local porn shop during that time.
3. Failure to Follow Directives of the Residential Reentry Center	On April 26, 2021, the PUS, knowing that he was on full restriction due to his recent violations, attempted to participate in an activity he knew he was ineligible for after being told only minutes before he was not allowed. The PUS was in violation of Disobeying a Lawful Order/Directive.

I declare under penalty of perjury that the foregoing is true and correct.
